"UNITING each Coast one studio at a time"

If we failed to hit your city, please check out the following info on how to schedule our COREFusion Studio Tour, where we go to your studio to teach, choreograph, and qualify your dances for our NATIONALS!!

FRESH MOVES

1-7 DAYS OF MASTERCLASSES AT YOUR STUDIO (OUR 10th Great Year!!!)

What a great opportunity for you and your students to have us on more of a 1 to 1 personal approach to learning. We will do it all for you!!

N.Y.L.A. Dance Conventions & Competitions will make all arrangements for our Instructors to travel to your studio or location which includes hotels, flights, and transportation. Studios are responsible for displaying all promo info about us as well as collecting all registration fees for the contracted master class experience. Once your request has been made, we will contact you with your final selections of teachers available for your intended time frame. Please note that not all teachers will be available at all times. Please also note if you would like East Coast Style, West Coast Style, or Both. Our goal is to get you 2-3 of our highly trained teachers into your studio who will simultaneously teach 4 classes daily for your students to become aware of a new style, a new move, or even a new dream. Should you only have 1 studio then classes could be arranged with first 1/2 of day (Tiny Dancers/Juniors) and second 1/2 of day (Teens/Seniors). Remember we want to make this convenient to your already established program so we have a lot of options such as 6PM-10PM during the week or full days on weekends.

Teachers, Studio Directors, Colleges, & Community Centers may use this WORKSHOP as a Fundraiser to gather the needed monies for larger events or end of the year presentations. Your fees are reduced when you get a larger amount of students participating. It is an AWESOME chance for your studio to meet, learn, and dance with a working dance professional from NYC or Los Angeles. Should you need any further assistance or want to arrange a specific package please contact Skip Costa directly.

WE always see the U in YOU and we value everyone no matter what financial situation they may have.
